

Alternate Council Rep Form

SPEEA Constitution, Section 5.1.1.1: *“In the event of the absence of the regular Council Representative from any Council meeting, the Alternate Council Representative may act as Council Representative from that Council district, and shall hold full power of office during that meeting or until the regular Council Representative is in attendance at that meeting.”*

SPEEA By-Laws, Section 5.1.1.1: *“Each Council Representative shall designate, by name, one of the Area Representatives in that Council district as an Alternate Council Representative.”*

A written designation of the Alternate Council Representative’s name must be signed by the regular Council Representative from that Council district and filed with the Council Secretary. Such designation may be withdrawn at any time by the regular Council Representative.

In the event of a vacancy occurring in a Council position during a term of office, the existing designation of an Alternate Council Representative in that district remains valid until a person is appointed to that Council position.

COUNCIL REP’S NAME _____
